They exist now as thriving artist communities with many galleries, curious shops, arts and crafts, lovely cafes serving gourmet fare, a cheese factory and a great old pub. All in the luxuriant foothills of Mount Dromedary.

**NAROOMA**  
A mecca for big game fishing and whale watching. Cruise the dazzling blue waters of Wagonga Inlet, stroll through lush forest gardens or have the ultimate wildlife experience by visiting Montague Island. Narooma's breathtaking natural wonders are complemented by fine dining restaurants, a spectacular golf course, friendly clubs and the annual Great Southern Blues and Rockabilly Festival every October.

**BODALLA**  
Famous for its cheese, this beautiful dairy country tells many stories of the gold rush. The Tuross River winding its way back through lush pastures to this picturesque village creates a living picture of serenity. Browse through the speciality shops and eateries. Bodalla also serves as a gateway to the magnificent Eurobodalla National Park.

**TUROSS HEAD**  
A fishing and boating paradise, surrounded by vibrant blue ocean, lake and estuary. Hire a boat or canoe or launch your own and then relax with fresh seafood in one of the waterfront restaurants or cafes. The surrounding hills provide relaxing walks and a golf course with spectacular ocean views.

**MORUYA**

**BATEMANS BAY**  
A superb water playground of sailing, beach and big game fishing, swimming, surfing, house-boating and river cruising. For fun on land there's a challenging 27-hole golf course, mini golf and a wildlife park. The famous Clyde River oyster and fresh local seafood are menu favourites at many waterside restaurants. There's also shopping, galleries, pubs and clubs

**SOUTH DURRAS**  
Snuggled between the spectacular Murrumbidgee National Park and the Pacific Ocean, South Durras is the perfect place to immerse yourself in nature. Wander through lush forests or along intimate beaches.

**NELLIGEN**

## bring out your better nature

Perhaps Eurobodalla's finest attribute is how the peaceful sense of place gently insinuates itself into your feelings rather than boldly walking in. Eurobodalla is neither old world nor old fashioned, it's not off the beaten track nor is it backward. Like the mountains, rivers, lakes and ocean that come together here, socialising with each other in a gently beautiful fashion, Eurobodalla has a timeless feeling about it, both in how it greets the eye and in the way people live here.

That's why a visit to Eurobodalla is not so much an escape from somewhere you don't want to be, but a return to how we all prefer to be. Simple, honest, unspoiled and relaxed.

*Come and say hello and let us bring out your better nature.*
